

*Congratulations,
new pool owner!*

Proudly serving the GTA for over 18 years.

Fall has arrived and it is time to start thinking about closing and winterizing your swimming pool. Have peace of mind knowing that your pool was winterized by one of our experienced pool technicians. Get Wet Pool Services is pleased to offer you our pool closing package.

SWIMMING POOL CLOSING

Our pool closing package includes:

- Pump down water below returns
- Remove and store deck equipment (ladder, drop in steps, etc.)
- Remove all water from suction and return lines (using high powered air blowers)
- Winterize pump, filter, heater and solar panels
- Remove all drain cogs
- Cap and plug all suction and return lines
- Fill and set water tubes
- Add 23L Liquid chlorine
- Set Winter Cover
- Diving Board removed upon customers request

OPTIONAL CLOSING SERVICES AVAILABLE

for an additional \$30.00 (must be done at same time as package)

- Skim pool, and brush walls
- Vacuum pool using our pump

We hope you had a safe & happy swimming season!
